

# Opportunities of E-Charging Infrastructure

**Business case for E-charging**

# Hello!

I am James Mbaaro

“ KAPS is a model  
transitioning company  
and a first in many  
industries for  
innovations

# Energy Economy

Can we fit in the box of the  
1<sup>st</sup> world?

# EV Driver

Where is she spending his driving hours vis a vis parking hours

# EV Bio

- 1830 : first car
- 1920 -1960 : Designer push
- 1999 : Hybrid age
- >2000 : Mass productions

# EV & EV charging

- Level 1
- Level 2
- Super Charger

# EV Real Estate

Convenience, compatibility,  
availability

Thank You.

**Lets Discuss.**
